## SACRED HEART PARISH COLUMBARIUM

# ABOUT CREMATION!

## What is a Columbarium?

A structure containing individual compartments or niches for placement of human cremated remains.

# ABOUT CREMATION!

## What Is A Niche?

An Individual compartment in the columbarium for interment of cremated human remains (Cremains).

# ABOUT CREMATION!

## What is Interment or Entombment?

The opening and closing of a niche for placement of the urn with Cremains.

# **WHY DID WE BUILD A COLUMBARIUM?**

- To provide a spiritual place for remembrance of our loved ones!**
- To provide for simplicity in making funeral arrangements at the time of need.**
- To provide for safety and security – with 24 hour monitoring**
- To offer environmental advantage – better use of ground space!**
- To offer potential financial savings for interment!**

# THE CHURCH ON CREMATION

## Is Cremation Permitted by the Church?

- There was a time of prohibition in the Church due to the influence of pagan beliefs.
- In 1964, changes were made to the Code of Canon Law and the Rite of Christian Burial allowing Catholics to be cremated after the Funeral.
- In 1998, further changes allowed cremation before the Funeral under certain conditions.
